

AR INDUSTRIAL COMPANY LIMITED

COMPANY PROFILE

ABOUT US.

Introduction

AR Industrial Company Limited is a diversified industrial contracting and service company in Saudi Arabia, specialising in MEP, coating, cleaning, packaging, hatchery operations, manpower supply, restaurant services, and supermarket operations. We also offer flexible cost-plus services, providing clients with manpower, materials, equipment, and operational support through a transparent pricing model.

With an experienced team and skilled workforce, we deliver reliable, safe, and efficient solutions tailored to each client's requirements. Our goal is to support industrial and commercial growth across the Kingdom while maintaining high standards of quality, safety, and customer satisfaction.

Mission & Vision.

MISSION

To provide reliable, high-quality MEP and industrial services with skilled local manpower, modern equipment, and tailored solutions that exceed client expectations while promoting sustainable industrial development.

VISION

To be Saudi Arabia's top industrial contracting company, recognized for innovation, excellence, and the effective use of local manpower to deliver turnkey solutions across industries.

AR INDUSTRIAL COMPANY LIMITED

MATERIAL PRESERVATION STORAGE & HANDLING

At AR Industrial Company Limited, we ensure all materials are stored and handled under optimal conditions to maintain quality and prevent damage. Each item is properly tagged, tracked, and managed for complete traceability and accountability.

AR INDUSTRIAL COMPANY LIMITED

WELDING & FABRICATION OF PIPING & STRUCTURES

AR Industrial Company Limited specializes in precision welding and fabrication for piping and structural works. With advanced technology and certified welders, we deliver strong, reliable joints for projects of all sizes, meeting international standards.

AR INDUSTRIAL COMPANY LIMITED

FABRICATION & ERECTION OF STORAGE TANKS

AR Industrial Company Limited provides complete fabrication and erection solutions for atmospheric and pressurised storage tanks. We handle vertical and horizontal tanks built to API, ASME, and other international standards, from material selection to final testing and certification.

AR INDUSTRIAL COMPANY LIMITED

INSTALLATION OF PIPING & STRUCTURAL ASSEMBLIES

AR Industrial Company Limited delivers expert installation services for industrial piping systems and structural assemblies. From precise site assessment to accurate alignment and execution, we ensure every installation meets design specifications and industry standards.

Comprehensive Industrial & Mechanical Services

AR Industrial Company Limited offers a specialized suite of technical solutions designed to ensure the safety, efficiency, and longevity of your industrial infrastructure. From high-precision Bolt Torquing and rigorous Hydrotesting of pipelines to expert Electrical installations and maintenance, we provide end-to-end support. Our certified team utilizes calibrated technology and industry-best practices to prevent failures, optimize performance, and maintain the highest standards of operational integrity across all systems.

Electrical Services

Coating (Industrial and Pipelines)

AR Industrial Company Limited offers industrial and pipeline coating services to protect metal surfaces from corrosion, abrasion, and chemicals, using epoxy, polyurethane, FBE, and multi-layer systems customized for each project.

AR INDUSTRIAL COMPANY LIMITED

PRE-COMMISSIONING & COMMISSIONING

AR Industrial Company Limited provides complete pre-commissioning and commissioning services, ensuring mechanical systems and pipelines are tested, functional, and ready for operation, including flushing, leak testing, valve calibration, and performance checks.

AR INDUSTRIAL COMPANY LIMITED

MAINTENANCE & SHUTDOWN OF PIPING AND PIPELINES

AR Industrial Company Limited offers planned maintenance and shutdown services for piping systems and industrial plants, deploying expert teams with the right tools and safety gear to complete critical tasks efficiently.

Cleaner (Industrial and Maintenance)

AR Industrial Company Limited provides comprehensive industrial and maintenance cleaning solutions designed to meet the highest hygiene, safety, and operational standards across factories, markets, warehouses, and industrial plants.

Our cleaning teams consist of trained local manpower who are skilled in handling heavy-duty cleaning tasks using modern equipment and eco-friendly products. Each cleaner is trained to follow site-specific safety protocols, waste segregation methods, and efficient work procedures to maintain cleanliness and ensure compliance with environmental standards.

We deliver customized cleaning programs based on client needs—whether it's routine maintenance cleaning, deep cleaning, or pre-shutdown and post-shutdown industrial cleaning. Our supervisors closely monitor every site to ensure quality control, timely completion, and consistent performance.

Our Services Include:

- Industrial plant and machinery cleaning
- Floor, wall, and ceiling deep cleaning
- Equipment and production line maintenance cleaning
- Waste disposal and sanitation management
- Market, factory, and cold storage hygiene maintenance

With a focus on reliability, safety, and continuous improvement, AR Industrial Company Limited ensures that every site remains clean, organized, and operationally efficient, supporting a productive work environment and contributing to long-term asset preservation.

Product Packaging (Factory and Distribution)

AR Industrial Company Limited provides comprehensive product packaging services for factories, warehouses, and distribution centers across Saudi Arabia. Our goal is to ensure that every product leaving the production line is packed with precision, handled with care, and delivered in perfect condition.

We supply trained local manpower who specialize in all areas of factory packaging — including sorting, wrapping, sealing, labeling, and loading. Each worker is trained to follow strict quality control procedures, hygiene standards, and client-specific packaging requirements. From fragile consumer goods to heavy industrial products, we handle every item with efficiency and professionalism.

Our packaging operations are designed to support both small-scale and high-volume production environments, using modern tools and systematic workflows to maintain speed and consistency. Every stage of the process — from product inspection to final dispatch — is supervised to ensure accuracy and minimize wastage or damage.

Our key packaging services include:

- Factory packaging for industrial and consumer products
- Sorting, labeling, and barcode tagging
- Wrapping and sealing using modern packaging machines
- Loading and stacking for transport and delivery
- Final quality checks before dispatch

We take pride in being a reliable manpower partner for leading factories and distributors, ensuring smooth packaging operations that keep supply chains running efficiently. Through commitment, teamwork, and attention to detail, AR Industrial Company Limited continues to deliver high-quality packaging manpower solutions that meet the growing demands of Saudi Arabia's industrial sector.

Packaging (Cold Storage and Frozen Products)

AR Industrial Company Limited provides specialised packaging services for cold storage and frozen products, ensuring the highest levels of hygiene, safety, and product integrity. Our trained manpower is skilled in handling temperature-sensitive items such as frozen chicken, seafood, meat, and other perishable goods that require careful attention during every stage of packaging and storage.

We deploy qualified local workers who understand the technical requirements of working in low-temperature environments. Each team member is trained in proper hygiene practices, use of personal protective equipment (PPE), and adherence to food safety protocols. From cleaning and sorting to sealing, labeling, and stacking, every task is carried out under strict supervision to maintain freshness and product quality.

Our cold storage packaging services cover both industrial and commercial operations, helping clients meet national and international quality standards. We ensure that every product is packed according to required temperature conditions, minimizing contamination risks and extending shelf life. Our supervisors continuously monitor performance and ensure full compliance with HACCP and other safety guidelines.

Our specialised services include:

- Packaging and sealing of frozen food products
- Hygienic handling of perishable and temperature-sensitive goods
- Labelling, weighing, and quality checking under controlled conditions
- Cleaning and sanitisation of packaging areas
- Loading and stacking inside cold storage facilities

At AR Industrial Company Limited, we take pride in being a trusted manpower provider for cold storage operations across Saudi Arabia. Our commitment to precision, safety, and reliability ensures that every packaged product retains its quality from the storage room to the customer's table.

Hatchery (Egg Production and Handling)

AR Industrial Company Limited provides skilled hatchery manpower services for egg production and chick handling operations. Our trained workers ensure that every stage of the hatchery process — from egg selection to incubation and chick management — is carried out with precision, hygiene, and care to achieve the highest hatch rates and healthy chick growth.

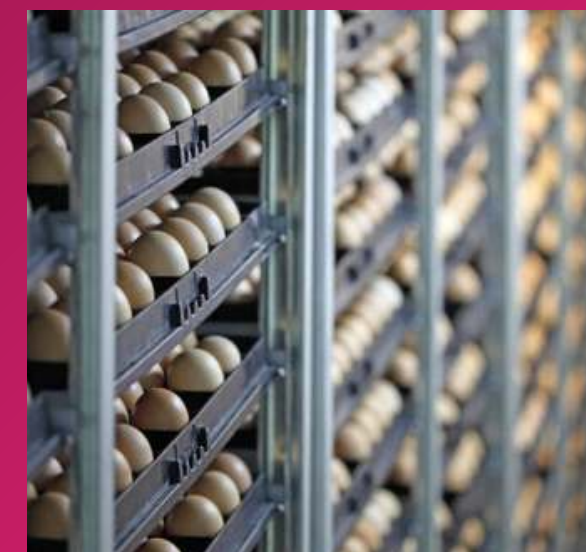

We deploy qualified local manpower experienced in handling modern hatchery equipment and temperature-controlled environments. Each worker is trained in the proper methods of egg collection, grading, tray loading, and candling to ensure only healthy and fertile eggs proceed through the incubation cycle. Our teams maintain strict biosecurity measures to prevent contamination and safeguard hatchery health.

Our hatchery services extend to large-scale poultry farms and commercial hatchery facilities, where maintaining a clean, controlled environment is critical. We emphasize hygiene management, accurate temperature and humidity control, and gentle handling of chicks during transfer, vaccination, and packaging.

Our hatchery manpower services include:

- Egg sorting, cleaning, and incubation setup
- Temperature and humidity monitoring
- Chick handling, vaccination, and packing
- Hatchery cleaning and hygiene maintenance
- Record keeping and quality monitoring

Through professionalism, discipline, and continuous training, AR Industrial Company Limited ensures smooth hatchery operations that align with both productivity goals and animal welfare standards. Our manpower plays a vital role in supporting the Kingdom's growing poultry sector by delivering consistent, high-quality service at every stage of egg production and handling.

MESSAGE FROM THE CHAIRMAN & CEO

At **AR Industrial Company Ltd**, we believe in excellence, integrity, and innovation in everything we do. Every project reflects our commitment to quality and our goal of building long-term relationships with our clients and partners. Our mission is to create a strong and successful future where everyone grows together, and we sincerely thank you for your trust and continued support on this journey.

Abdur Rahim
Chairman & CEO

MESSAGE FROM FOUNDER & MD

At **AR Industrial Company Ltd**, we are dedicated to providing reliable and skilled manpower to meet the growing needs of industries across Saudi Arabia and beyond. Our mission is to build lasting partnerships based on trust, quality, and professionalism. We believe success comes from commitment, teamwork, and mutual growth. Client satisfaction and worker welfare are always our top priorities, and through these values, we continue to deliver excellence in every project we handle.
